

## **Dr. Christian Müller**

### **Partner**

**Telephone: +49 (0)89 / 99 84 79-6**

**E-Mail: christian.mueller@zsp-ip.de**

### **Professional Qualification**

Dr. Christian Müller is partner with the firm of "Zwicker Schnappauf & Partner Patentanwälte PartG mbB". He joined the firm in 2002.

Christian is admitted before the German Patent and Trademark Office, the German Federal Patent Court, the European Union Intellectual Property Office, and the European Patent Office. He has successfully handled numerous patent applications, oppositions, nullity, and opinion matters in different technical fields (incl. chemistry, biochemistry, medicine, molecular biology, and mechanical engineering) on behalf of our national and international clients. Christian is representing well known European, US, and Japanese companies.

Christian studied chemistry at the Friedrich-Alexander-University, Erlangen-Nuremberg, Germany. He made his Ph.D. thesis and worked as a post-doctoral fellow in the lab of Prof. Hannappel at the Institute for Biochemistry and Pathobiochemistry, Friedrich-Alexander-University, Erlangen-Nuremberg, Germany.

Christian is a member of and participates in the expert network of "Science4Life" and in the division "Vereinigung für Chemie & Wirtschaft / Association for Chemistry & Economics" in the Gesellschaft Deutscher Chemiker, the German Chemical Society (GDCh).
